### **The Vintage Vloggers**

"Vintage Vloggers" led by Nonagenarian 92-year old Narindra Pujji and 85-year old Hafez Redha goes on a food trip across the emirates in search of age-friendly restaurants and cafe's. The concept of Vintage Vloggers came about when 4get-me-not struggled to find suitable dining places for seniors as their requirements include accessibility, healthier food options and comfortable seating amongst other aspects.
